Important Information

The way you get Medi-Cal services is changing. You **must** enroll in a Medi-Cal managed care health plan to receive Medi-Cal services. The reason for this change is to help bring your Medi-Cal services together in one place.

Please read this notice carefully. You do not need to do anything yet. We will send you more information and health plan enrollment materials in about one month. If you are in Medicare, this change does not affect your Medicare coverage or your ability to see your Medicare doctor.

What services will you get from your Medi-Cal health plan?

Your Medi-Cal health plan will coordinate all of your Medi-Cal covered services.

- If you are in Medicare, your Medi-Cal health plan will pay for certain Medicare cost-sharing, certain additional benefits (such as prescription drugs not covered by Medicare), some transportation, and certain Long Term Services and Supports.
- If you just have Medi-Cal, your Medi-Cal health plan will be responsible for all of your medical care, some transportation, and certain Long Term Services and Supports.

What are Medi-Cal Long Term Services and Supports?

- **In-Home Supportive Services (IHSS)** are personal care services for people who need help to live safely in their homes. If you currently get IHSS, you do not have to change your IHSS providers and you can still hire, fire, and manage your providers.
- **Community-Based Adult Services (CBAS)** is daytime health care at centers that provide nursing, therapy, activities and meals for people with certain chronic health conditions.

- **Multipurpose Senior Services Program (MSSP)** provides social and health care coordination services for people age 65 and older. If you get MSSP, your health plan will work with your MSSP providers to better coordinate your care. If you currently get MSSP, you do not have to change your MSSP provider.
- **Nursing home care:** If you get care in a nursing home, your health plan will work with your doctor and nursing home to better coordinate your care. If you are currently in a nursing home, you do not have to change your nursing home.
- If you do not get these services now, your health plan can help you get them in the future, if you need them.

Can I see my Medicare doctors after I enroll in a Medi-Cal health plan?

Yes, if you have Medicare, your Medicare providers will not change.

Can I see my Medi-Cal doctors after I enroll in a Medi-Cal health plan?

If you have Medi-Cal only, you will need to check with your health plan to determine if your providers work with the health plan. Generally, you are able to see your current doctors for 12 months.

Enrolling in a Medi-Cal health plan:

- Does NOT change your Medicare services or benefits.
- Does NOT change your Medi-Cal eligibility or cost you extra.
- Does NOT cut any of your Medi-Cal services or benefits.

When do I need to enroll in a Medi-Cal health plan?

You will be receiving more information about your choices for a Medi-Cal health plan. If you do not make a choice, you will be enrolled in a Medi-Cal health plan starting MM/DD/YYYY.

What should I do now?

- Talk about your choices with someone who knows about your health care needs, like your family, friends, your doctors, or your local Long Term Services and Supports providers.
- Watch your mail for a packet from Health Care Options in about one month.
